

Our cost-effective international mail solution for the distribution of your publications to readers around the world. Whether it's magazines, brochures or newspapers, we'll help your reach your international subscribers and target customers.

## Dimensions and Country Specific Requirements

Format	Max Dimensions (mm)			Min Dimensions (mm)	
	Length	Width	Height	Length	Width
Flat	381	305	20	245	165
Boxable	353	250	30	140	165
ROW	600	L+W+H <900mm			

For full details of the country specific requirements for this service, please refer to our accompanying Destinations, Format, Delivery Aims and Presentation Requirements guide.

Items need to be sorted by weight band except for the following countries:

- India
- South Africa
- Sri Lanka

To Chile, we are unable to accept material that contain goods such as books, music CDs, video games or a free CD along with the publication.

To Belgium, free magazines, commercial mailings and catalogues wrapped in plastic can no longer be distributed to addresses in part of Belgium with effect from 1 January 2023. This prohibition concerns all addresses in postcode areas from 1300 up to and including 1499, and from 4000 up to and including 7999. Newspapers and magazines subject to paid subscriptions may still be distributed in plastic wrapping to all addresses in Belgium.

## Canada Publication Service only

Format	Max Dimensions (mm)			Min Dimensions (mm)	
	Length	Width	Height	Length	Width
Canada Flat	380	380	55	100	70

- Pieces must be Publications. Catalogues or other mail do not qualify for this service.
- Each shipment must be manifested by title and the manifest shared with us.
- Must be a minimum of 1,000 pieces. This can be a combination of titles.
- Our CPC Publication Agreement Indicia will be printed on each piece. We can share a sample in case you want to incorporate in production.
- The mail for this service must be physically separate from all other mail.
- The invoiced weight break will be based upon the average piece weight per mailing (not by title).
- An unaddressed sample must be provided to us to submit with the BOL (Bill of Lading) for each title on the manifest. If not provided, CPC will need to pull an addressed sample, and this will not be delivered to the addressed recipient.
- If a single title is over 1,000 pieces, we will require the address file so we can presort.
